

St. Peter Catholic Church

Fundraising Gift Card Program

easy...
painless...
profitable...

How it Works

St. Peter's Gift Card Program has been our primary fundraiser since 1996. The program has helped to pay off the mortgage on our present church and our school gymnasium. It has helped reduce our parish debt and land loan.

If you have not tried using our Gift Cards as payment for groceries, household shopping, or eating out, please consider doing so. It's so easy and convenient.

You can purchase Gift Cards for **Food Lion, Fresh Market, Walmart, Kohl's Department Store, Jersey Mike's Subs, China Ten, Cheddar's, Red Lobster** (which can also be used at **Olive Garden** and **Longhorn Steak House**) and **many more** before and after Masses every other weekend. The cards are offered in various denominations. At the store, you swipe the card like you would a debit card and your purchase is deducted from the card.

St. Peter purchases these cards, in quantity, from the vendors at a discount and sells them to you at face value. The church makes 5% to 20% profit on sales.

Kohl's Department Store allows you to pay your Kohl's credit card bill with their gift cards as long as you pay your bill at the Customer Service Desk. You cannot use the gift cards if you are paying your bill by mail.

We do not ask you to shop at a store you normally would not shop. We do not ask you to eat at a restaurant you normally would not eat. We do not ask you to spend more money at a store or restaurant than you normally would spend. What we do ask is that you use our Gift Cards if you shop at any of these stores or eat at any of these restaurants. It's a great way to support your church and parish!

Please stop by the tables in the atrium and give them a try.
